Vermont Medicaid Supervised Billing Forum

The Department of Vermont Health Access (DVHA) is currently revising the Medicaid Supervised Billing Rule (HCAR 9.103). For DVHA to conduct the necessary outreach and stakeholder engagement required to revise the rule, the Department has issued a retroactive extension to allow non-licensed non-certified (NLNC) providers to continue to bill Vermont Medicaid until the new rule is in place. DVHA will be hosting an open forum to allow individuals the opportunity to ask any questions they may have about how the extension will work and how it will apply to different situations. Please join us for this open forum on Thursday, January 25, 2024, from 11:00am – 12:00pm, EST. You may access the virtual meeting link details using the below link. If you require accommodations to participate, please contact Grace.E.Johnson@vermont.gov.
